**User Guide for the Identification Check on an <mark>iPhone</mark>**

Follow the below steps to complete your ID check using an iPhone.
<mark>Only do this when instructed to do so by your course presenter</mark>.

**Step 1** – Tap the screen and then tap the three dots button.

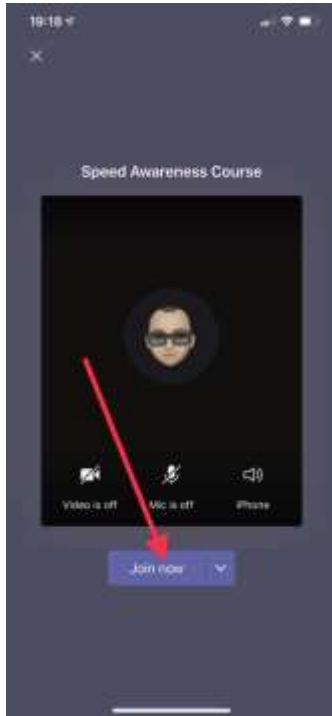

Step 2 – Tap "put me on hold".

Step 3 – Tap the message chat icon.

Step 4 – Tap on the 'Join Microsoft Teams Meeting' link.

Step 5 – Click 'Join now'.

Step 6 – Once you've had your ID checked you will be asked to hang up this call by tapping the red button to re-join the course.

You may then need to click 'Rejoin'.
If you are waiting for more than 2mins to re-join the course, or to be let back in, please close the call down and re-click the link in the joining pack.
